Dear Imogen

I'm pleased to say the following condition-based project/s have been approved subject to a DFC contribution, as noted below. If you could please confirm agreement to the DFC contribution, your surveyor, copied in, will start making arrangements.

I appreciate Governors may have already allocated DFC for other works. If that is the case, please provide further details and I will relay them to the committee. This may have a knock-on effect for a summer completion, so I would urge you to consider rescheduling other plans, if at all possible.

- Main gas heating plant and controls – replacement (DFC contribution = £5,000)

I look forward to hearing from you.

Kind regards

Paul Forrest
