Friday 5 th July 2024 at 11:42am	Unplanned fire drill. Alarm sounded at 11:42am. DWC checked the fire alarm panel to seek the source of the fire/activation. The panel showed the Year 3 classroom detector as the source. On route to Year 3 DWC carried out his usual checks of the KS2 area to ensure everyone had left the building. Upon arrival at the Year 3 classroom there was no obvious reason for the alarm to have been activated and no smell of smoke. DWC went out to the playground and informed IW of the reason for the alarm. FK silenced the alarm and reset the system. All at fire assembly point lined up, children quiet. All year groups were in the correct positions. All classes had their emergency grab bags and took the register using the register from within their grab bag VC took KS1 medicines with her along with the Office grab bag. Staff, students and visitors returned to the building at 11:48am.	Imogen Woods
